1. About Westpac Financial Services Limited

WFSL is the Responsible Entity of the Fund and the issuer of this PDS. WFSL is part of BT, the wealth management arm of the Westpac Group. BT has been helping Australians create, manage and protect their wealth since 1969. Today, it is one of Australia's leading providers of superannuation, investment and insurance products.

WFSL is responsible for the day-to-day administration of the Fund, and for ensuring it complies with the Fund's constitution and any relevant legislation. This responsibility includes establishing, implementing and monitoring the Fund's investment objective and strategy. WFSL is the issuer of the units in the Fund offered in this PDS.

An investment in the Fund doesn't represent an investment in, deposit with, or any other liability of Westpac Banking Corporation ABN 33 007 457 141 AFSL 233714 (Westpac) or any other member of the Westpac Group. It is subject to investment risk, including possible delays in payment of withdrawal proceeds and loss of income and principal invested. Neither Westpac nor any other company in the Westpac Group (including WFSL) has issued, stands behind or otherwise guarantees the capital value or investment performance of the Fund.

Investment management of the Fund

WFSL has selected Pental Institutional Limited (Pental) ABN 17 126 390 627 AFSL 316455 to manage the assets of the Fund. As the Fund's investment manager, Pental has day-to-day control over the investment operation of the Fund.

WFSL reviews the selected investment manager(s) of the Fund from time to time and as part of this review process we may remove, replace or add an investment manager. We may do this at any time and in some cases without notice.

Pental has consented to being named in this PDS, to statements about it being included based on information it has provided and in the form and context in which it has been included, and hasn't withdrawn this consent before the date of this PDS.

2. How the BT Premium Cash Fund works

The BT Premium Cash Fund is a registered managed investment scheme. When you invest your money in the Fund, your money is pooled together with other investors' money. Pental uses this pool to buy investments and manage them on behalf of all investors in the Fund. This means that by investing in the Fund you have access to certain investments that you may not otherwise be able to access on your own as well as the knowledge of Pental's skilled investment managers.

Unit prices

The net asset value of the assets in the Fund is divided into 'units' and a 'unit price' is generally calculated for each business day. A 'business day' means a day (other than a Saturday, Sunday or public holiday) on which banks are open for general banking business in Sydney.

When you make an investment in the Fund, we'll allocate units to you based on the entry price for the business day on which we receive your Application and we'll keep a record of the number of units you have bought. When you withdraw from the Fund, we'll redeem your units based on the exit price for the business day on which we receive your withdrawal request.

The Fund aims to maintain a stable \$1.00 unit price, however the value of units is not guaranteed and may vary as the market value of assets in the Fund rises or falls. For example, provisions for losses arising from any defaults on securities may cause the unit price to fall below \$1.00 (although the risk of capital loss is low). Assets and liabilities of the Fund for the purposes described in this PDS are valued in accordance with the Fund's constitution.

The Fund's daily interest rate is available at bt.com.au/personal/prices-and-performance or by calling 132 135.

Minimum initial investment

The minimum initial investment is \$5,000, or \$2,000 with a regular investment plan of \$100 a month. Refer to section 8 of this PDS on how to apply.

Additional investments

You can add to your investment at any time, in one of the following ways:

- direct debit by following the instructions on our website (bt.com.au/personal/help/additional-investment.html)
- a Regular Investment Plan
- sending a cheque with a completed application form
- using your financial institution's BPAY[®] facility (the Fund's Biller Code and Reference Number are listed at bt.com.au/personal/help/additional-investment.html). The BPAY facility is not currently available in New Zealand
- having money credited to your BT Premium Cash Fund (eg your salary, rent receipts, dividends, interest or distributions). This facility is not currently available for New Zealand investors.

Regular Investment Plan

The Regular Investment Plan allows you to make regular monthly investments via direct debit or payroll deduction. To make regular investments by direct debit, please complete the relevant sections of the application form and refer to the application form for the terms and conditions of the Direct Debit Request Service Agreement.

How to withdraw

You can withdraw some or all of your investment by:

- calling BT Customer Relations on 132 135
- using BT Online (bt.com.au) if you have provided bank account details in the relevant section of the application form
- providing your completed withdrawal form from any Westpac branch (Australian customers)
- scanning your completed withdrawal form and emailing to retailprocessing@btfinancialgroup.com (Australian customers) or nzclientservices@btnz.co.nz (New Zealand customers)
- using the direct debit facility to arrange for regular bill payments (eg car repayments and mortgages).

There is no minimum withdrawal amount. However, should you request a withdrawal which would result in your balance in the Fund falling below \$1,000, we may arrange for your investment to be withdrawn in full and paid to you.

We'll generally pay withdrawals to your nominated bank account within 10 business days, or within 14 business days if you choose to receive a cheque. In certain circumstances, such as a freeze on withdrawals or where the Fund is illiquid (as defined in the Corporations Act 2001), you may have to wait a longer period of time before you can redeem your investment.

How we process transactions

Generally, if we receive an application or withdrawal request by 4.00pm (Sydney time) on a business day, we'll process the transaction using that day's unit price.

Requests received on or after the cut-off time of 4.00pm (Sydney time) on a business day, or on a non business day, will generally be treated as having been received before the cut-off time on the next business day. Processing times are different for New Zealand investors.

New Zealand investors should read the important information about 'Processing times for New Zealand investors' section in the Additional Information Booklet.

For applications made by direct debit and BPAY we won't issue units until we receive the money from your nominated financial institution. This generally means there will be a delay between the day we receive your application form or when you initiate a BPAY transaction and the day on which units are issued. The BPAY facility is not currently available in New Zealand.

Distributions

Net income earned by the Fund accrues daily, based on the declared daily rate and the number of units held at the end of each day. Distributions are paid quarterly. Payments are generally made within the first two weeks after the end of each quarter.

Investing through master trusts or wrap accounts

We authorise the use of this PDS as disclosure to persons who wish to access the Fund indirectly through an Investor Directed Portfolio Service (IDPS), IDPS-like scheme or a nominee or custody service (collectively referred to as master trusts or wrap accounts).

An investment in the Fund offered in this PDS through a master trust or wrap account doesn't entitle you to a direct interest in the Fund. This means that the rights that apply to a person who invests directly in the Fund aren't available to you but rather to the operator or custodian of the master trust or wrap account. The operator or custodian of the master trust or wrap account will be recorded in the register as the investor and will be the person who exercises the rights and receives the benefits of an investor.

You should read the important information about 'How the BT Premium Cash Fund works' in the Additional Information Booklet before making a decision.

- Go to the Additional Information Booklet at bt.com.au/general/pdsdownload.asp.

The material relating to 'How the BT Premium Cash Fund works' may change between the time when you read this PDS and the day when you acquire the product.

3. Benefits of investing in the BT Premium Cash Fund

Significant features

The BT Premium Cash Fund is an actively managed portfolio of Australian cash and short-term fixed interest securities. The Fund aims to provide a return (before fees, costs and taxes) that exceeds the Bloomberg AusBond Bank Bill Index¹.

Significant benefits

Investing in the Fund offers you a range of benefits, including:

- access to a professionally managed portfolio of Australian cash and short-term fixed interest securities which aims to maintain a stable \$1.00 unit price, while providing regular income from the short-term money market
- access to a competitive rate of return
- no contribution or withdrawal fees
- exposure to investment grade securities with high liquidity and same day access to funds
- regular investment statements and an annual tax statement to keep you up to date on your investment
- access to our secure client website BT Online at bt.com.au to keep track of your investments.

¹ Bloomberg Finance L.P. and its affiliates (collectively, 'Bloomberg') do not approve or endorse this material and disclaim all liability for any loss or damage of any kind arising out of the use of all or any part of this material. Information about Bloomberg indices can be found at bloombergindexes.com/fixed-income/ausbond/.

4. Risks of managed investment schemes

All investments carry risk. The likely investment return and the risk of losing money is different for each managed investment scheme as different strategies carry different levels of risk depending on the underlying mix of assets that make up each fund. Those assets with potentially the highest long-term return (such as shares) may also have the highest risk of losing money in the shorter term.

The significant risks for the Fund are:

Market risk

The risk that the market price of an asset will fluctuate as a result of factors such as economic conditions, government regulations, market sentiment, local and international political events, and environmental and technological issues. Market risk may have different impacts on each type of asset, investment style and investor.

Security specific risk

The risk associated with an individual asset. The value of fixed interest securities can be affected by specific events such as changes in the perceived or actual creditworthiness of a particular issuer.

Interest rate risk

The risk that the investment value or future returns of an asset may be adversely impacted by changes in interest rates. Interest rates may directly or indirectly affect a company's cost of borrowings as well as the value of fixed interest securities.

Credit risk

The risk of loss arising from the failure of a borrower to repay its debt or meet its financial obligations. It arises primarily from investments in fixed interest securities, mortgage securities and from certain derivatives.

Currency exchange risk

An investment in the Funds may involve a currency exchange risk. The currency for interests in the Fund is not New Zealand dollars. The value of the interests in the Fund will go up or down according to changes in the exchange rate between that currency and New Zealand dollars. These changes may be significant.

If you expect the Fund to pay any amount in a currency that is not New Zealand dollars, you may incur significant fees in having the funds credited to a bank account in New Zealand in New Zealand dollars.

Risk can be managed but it cannot be completely eliminated. It is important to understand that:

- the value of investments will vary
- investment returns will vary and future returns may be different from past returns
- returns aren't guaranteed and there is always the chance that you may lose money on any investment you make
- laws affecting your investment in a managed investment scheme may change over time.

The appropriate level of risk for you will depend on a range of factors, including your age, investment time frame, where other parts of your wealth are invested and your risk tolerance.

5. How we invest your money

You should consider the likely investment return, risk and your investment time frame when choosing to invest in the Fund.

BT Premium Cash Fund

Fund performance	For up to date information on the performance of the Fund including performance history, please visit bt.com.au/personal/prices-and-performance .
Labour, environmental, social and ethical considerations	We don't take labour standards, environmental concerns, or social and ethical considerations into account when making investment decisions or appointing investment managers. Our priority remains to maximise returns with an acceptable level of risk. We encourage the Investment Manager to consider all sorts of factors when analysing securities and this can include environmental, social and governance considerations. The Investment Manager may have its own policies to determine if these issues are taken into account when making investment decisions, however we don't require it to do so.
Changes to Fund details	We have the right to change the Fund's investment strategy without prior notice in some cases. We'll inform you of any material change to the Fund's details in the next regular communication or as otherwise required by law.

² The risk level is not a complete assessment of all forms of investment risks. For instance, it doesn't detail what the size of a negative return could be or the potential for a positive return to be less than the return an investor may require to meet their objectives.

6. Fees and costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

Fees in this PDS can be individually negotiated if you're a wholesale client under the Corporations Act. For more detail, refer to 'Ability to negotiate fees – wholesale clients' on page 7 of the BT Premium Cash Fund Additional Information Booklet.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the Australian Securities and Investments Commission (ASIC) website (www.moneySMART.gov.au) has a managed investment fee calculator to help you check out different fee options.

This document shows fees and other costs that you may be charged. These fees and costs may be deducted from your money, from the returns on your investment or from the assets of the Fund as a whole.

Taxes are set out in another part of this document and section 4 of the Additional Information Booklet.

Additional fees may also be payable to a financial adviser, if you consult a financial adviser, and you should refer to the Statement of Advice for details.

You should read all the information about fees and costs because it is important to understand their impact on your investment. You can also use this information to compare the costs between different simple managed investment products.

Fees and costs for this Fund are set out in the Fees and costs section below and in section 3 of the Additional Information Booklet.

To see how fees and costs may affect your investment, use the calculator on the ASIC website at <https://moneySMART.gov.au/managed-funds-and-etfs/managed-funds-fee-calculator>

Type of fee or cost ^{1,2}	Amount	How and when paid
Fees when your money moves in or out of the Fund		
Establishment fee	Nil	Not applicable
Contribution fee	Nil	Not applicable
Withdrawal fee	Nil	Not applicable
Exit fee	Nil	Not applicable
Management costs		
The fees and costs for managing your investment.		
The amount you pay for this Fund is shown here.	0.20% of the net value of your assets in the Fund per year. This is comprised of: – Management fee ³ of 0.20% pa,	The management fee is deducted from the Fund's assets prior to a unit price being determined. It is accrued on a daily basis and paid from the Fund generally on a monthly basis in arrears.
Service fees		
Switching fee	Nil	Not applicable

1 Unless otherwise stated, all fees quoted in this PDS are quoted on a GST inclusive basis and net of any applicable Reduced Input Tax Credits (RITCs).

2 Fees in this PDS can be individually negotiated if you're a wholesale client as defined in the *Corporations Act*. For more information, refer to 'Ability to negotiate fees – wholesale clients' section of the Additional Information Booklet.

3 The management costs are paid from the net assets of the Fund and are reflected in the unit price of your investment. Please see the 'Management costs' section below for more information. Please note, that the Responsible Entity no longer charges a percentage expense recovery fee.

Example of annual fees and costs for the Fund

This table gives an example of how the fees and costs for the Fund can affect your investment over a one year period. You should use this table to compare this product with other managed investment products.

Example	Balance of \$50,000 ¹ with a contribution of \$5,000 ¹ during the year	
Contribution fee	0%	For every additional \$5,000 you put in you will be charged \$0.
PLUS		
Management costs	0.20%	And , for every \$50,000 you have in the Fund, you will be charged \$100 each year.
EQUALS		
Cost of Fund		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and incur estimated indirect costs of: \$100 ² What it costs you will depend on the fees you negotiate.

1 This amount is prescribed by legislation. The example above assumes that the \$50,000 is invested for the entire year, the value of the investment is constant over the year and that the additional \$5,000 is invested at the end of the year. Therefore management costs are calculated using the \$50,000 balance only.

2 Additional fees may apply. Please note this example doesn't capture all the fees and costs that may apply to you, such as the buy-sell spread and total transactional and operational costs. Please refer to the 'Transactional and operational costs' section below.

Additional explanation of fees and costs

Management costs

The only management cost currently applicable to this Fund is the management fee. If management costs are to be increased, or removed entirely, we'll give investors 30 days' written notice. A summary of the management fee is set out below.

Management fee

This is charged as a percentage of the net asset value of your investment in the Fund. It's accrued daily and paid from the assets of the Fund monthly. The constitution for the Fund limits the management fee.

Indirect costs

We are entitled under the Fund constitution to be reimbursed for certain indirect costs incurred in management and administration of the Fund, such as registry costs, printing costs of PDSs, annual reports and statements and certain direct expenses such as custodian, accounting, audit and legal expenses. However, we are not currently exercising this right.

Transactional and operational costs

Transactional and operational costs are incurred when assets are bought and sold. These costs include brokerage, clearing and settlement costs, applicable stamp duty and the difference between the price paid for acquiring or disposing of an asset and its actual value at that time.

Buy-sell spread

An allowance for transactional and operational costs arising from applications and redemptions made by investors into and out of a managed investment scheme is often charged in the form of a buy-sell spread. However, at the date of this PDS there is no buy-sell spread for the Fund.

Other transactional and operational costs

Where transactional and operational costs arise from trading activity to execute an investment strategy, and are not the result of applications into and redemptions from the Fund, these costs are not recouped by the buy-sell spread. They are an

additional cost to you at the time of the Fund directly or indirectly undertaking the trading activity, and are included in the unit price. Our estimate of these costs are based on the latest available figures as at the date of this PDS and are currently 0.00%.

Financial adviser remuneration

Direct remuneration

Dealer groups and other licensees (including trustees/operators of master trusts and wrap accounts) who we have arrangements with may receive payments from us to the extent that it is permitted under law. These payments are paid by us from our fees and are not an additional cost to you. Details of the payments will be set out in the Financial Services Guide and Statement of Advice, which your financial adviser may provide you with.

Financial adviser service fee

There are no financial adviser service fee arrangements associated with this Fund.

You should read the important information about 'Fees and costs' in the Additional Information Booklet before making a decision.

- Go to the Additional Information Booklet at bt.com.au/pds.

The material relating to 'Fees and costs' may change between the time when you read this Statement and the day when you acquire the product.

7. How managed investment schemes are taxed

Warning: You should note that investing in the Fund is likely to have tax consequences. We strongly advise that you seek independent professional tax advice before investing in the Fund.

The Fund attributes all of the taxable income, including realised net capital gains and tax credits (if any), to investors each year. As such, the Fund should not be subject to income tax. Rather, investors should be subject to tax on their share of attributions made by the Fund. The Fund does not pay tax on your behalf.

You may also be subject to Capital Gains Tax on the disposal of your investment in the Fund.

Investing in the Fund may also affect your entitlement to pension or other social security benefits. We suggest you seek advice from your financial adviser or Centrelink.

You should read the important information about 'How managed investment schemes are taxed' in the Additional Information Booklet before making a decision.

Direct Debit Request Service Agreement

By completing the Direct Debit Request that forms part of the application form, you will be providing us with the ability to debit your nominated account and transfer the amount you request to your investment. This agreement sets out the terms on which you authorise us to deduct from your account with your financial institution any amounts that become payable to an investment with us.

Direct Debit arrangements

- for initial applications made by completing a Direct Debit Request, we will debit the amount nominated from your account generally within two Business Days of receiving a valid application
- for subsequent investments, when we receive a valid instruction either by phone, letter or over the internet, we will debit your account generally within two Business Days of receiving the instructions (provided we have previously received a valid Direct Debit Request)
- a valid instruction will be an instruction given by you or from a person nominated by you to provide such instructions.

Your responsibilities

It is your responsibility to:

- ensure that your financial institution allows direct debits on your nominated account
- ensure that your nominated account details are correct, and if uncertain, to check with your financial institution before completing the Direct Debit Request
- ensure that sufficient cleared funds are available in your nominated account by the due date to permit payments under the Direct Debit Request
- ensure that the authorisation given to draw on your nominated account is identical to the account signing instruction held by your financial institution where the nominated account is based
- advise us if your nominated account is transferred or closed or your nominated account details change
- arrange with us a suitable alternate payment method if the drawing arrangements are cancelled either by you or your financial institution.

Your rights

- you must notify us at least seven Business Days before the next scheduled debit to ensure changes are effective that month. Notification received after that time may result in your changes taking effect in the following month. You may also be able to stop an individual debit by contacting your own financial institution. You may be liable for financial institution charges if you do this; the financial institution should have information on these
- if you have any questions or concerns about your Direct Debit Request, such as where you consider that a drawing has been initiated incorrectly, you should take the matter up directly with us by calling 0800 800 661. Alternatively, you can contact us by

Our commitment to you

- we will only change the amount of the payment under the Direct Debit Request on receipt of a valid instruction
- we will only vary the terms of this agreement after giving you 30 days' notice in writing
- we reserve the right to cancel your drawing arrangements if two or more consecutive drawings are returned unpaid by your nominated financial institution. Standard government fees, duties and bank charges (including dishonour fees and conversion costs) may apply to investments. These are paid by the investor
- we will keep all your records and information pertaining to your nominated account at the financial institution private and confidential, except where you have made a claim relating to a debit you believe has been made incorrectly, or wrongfully, in which case Westpac Banking Corporation ABN 33 007 457 141 (as our sponsor in the Bulk Electronic Clearing System) may require us to provide this information to them in connection with your claim to the extent necessary to resolve your claim.
